4. Officer Reports

Chatelaine :

- Cecilia (as chatelaine in the absence of a Chatelaine) let the group know that Amalthea wanted to swap one of her cotehardies for one in the gold key.
- Both the one she wanted to swap in and the one she wanted to swap out were originally donated by her parents, both were the same size and were of similar quality, but the difference was the one she wanted to swap out would allow her to wear matching garb with her husband.
- Nobody had any issue with this swap, and it was accepted.

Seneschal: Doing bookings, welcomed new officers (A&S, Web, and Armoured)

Exchequer: Did report, reminded us re activity donations, acknowledged difficult for rapier

Armoured: Doing normal Wednesday practices, try to keep list updated

Web: Updated website with agenda, web doing well

A&S: Pride demo, also been talking to people about starting a recorded lesson of basic A&S skill, have talked to Amalthea about that.

Archery: Yet to have this year, but hoping for summer. Duncan doesn't want to continue reserving Sundays for no reason

- Elsebeth suggest a poll to gauge interest and availability
- Estienne: suggested posting in Caldrihig Fencing as well

Dance: going awesome, lots of new dancers
