Approval to print redesigned demo handout cards (Duncan)

- Wording laid out but still need graphics to be completed.
- Quote from Print3 in Ottawa 5x3 3/4" cardstock quantity 1000 for \$175 + tax in 2-3 days for turnaround. Staples was about \$250.
- Graphic redesign is TBD. Previous print done by Ambrotek (Legget drive in Kanata) – 2018 same size & quantity was \$100. This company did a collage last time so may have the files on hand.
- QR code that bring people to Ealdormere webpage could be added to the card ... or have this as poster at demo. Constance could print QR code & present in plastic folder for each demo.
- **Action:** Duncan to get information from Ambrotek before we vote. Duncan to scan in the layout to send to council members for feedback (wording had been reviewed by the Baronial Diversity Committee) – before it goes to printer.
- \*\*\* bilingual version does not mention the Zombie Apocalypse. (currently in Gina's basement)
- \*\* when printed, these cards will be distributed to our cantons.

~~Approval to reimburse for Baronial Badge submission (Colyn)~~ This was paid through donations.
