

# The Skraeling Althing Chronicle

## From the Quill of their Excellencies of Skraeling Althing

---

Greetings unto the Noble Barony of Skraeling Althing  
from Baron Shahid and Baroness Catherine.

It doesn't take much time in this wonderful kingdom to realize we have the best club in the world, but we don't often take the time to share this with others. Why not bring in a newcomer and show them around; introduce them to what the SCA has to offer? There is nothing more rewarding than seeing the wonder in a newcomer's eyes.

Or if introducing a newcomer is not feasible, why not offer carpool or crash space? We all started somewhere. Many of us joined as starving students, washing dishes and minding children in exchange for rides to events or a couch to sleep on. If you have space, offer it up. The bonds we build traveling with and visiting each other strengthen relations throughout the Known Worlde. Share some of your SCA pride with others and help to maintain the beauty and the joy that the society offers.

In Service,  
Baron Shahid and Baroness Catherine  
Barony of Skraeling Althing

## Feast of the Hare

Last year was Fancy Hare, this year not so much. Welcome to our low brow version. A Peasant fall festival with market and various tournaments and competition.

Imagine the sounds and smells of a medieval market. Listen to the merchants haggling and the clinking of coins. Browse the brightly coloured fabric and trim. Find the medieval treasure you didn't know you needed. Feast of the Hare has been transformed into a peasant market this year.

The fall harvest is in. Come to our market day and celebrate the harvest by participating in our festivities and various opportunities to display your skills, strength and grace.

Currently planned activities:

- Fighting!
- Fencing!
- An amusingly shaped produce contest (judged by Her Excellency Catherine)

More information will be added to the website when available:
